...introducing The Shining S.T.A.R Wellness Plan

Welcome to The S.T.A.R Vet Clinic

Thank you for choosing us to care for your pets

Healthy and happy pets require certain routine treatments. In order to help you meet these needs, we have designed The Shining S.T.A.R Wellness Plan for cats, dogs and rabbits.

By joining our plan, you spread the cost of routine treatments over the year and receive further discounts on other selected treatments.

This leaflet contains information on how The Shining S.T.A.R. Wellness Plan can help keep your pet in good health and save you a significant amount of money at the same time. The more services you take, the more you will save!
